SOYBEANS*

allergenic ingredients: Soybeans and soyproducts

*= ingredients from organic farming

Marketing text

bio inside offers a wide range of products comprising fresh basic, tasty and varied vegetables and fruit that you can use to make creatively delicious meals for an active way of life.

Usage instructions

Edamame is a tasty appetiser, commonly eaten salted. The beans are popped out with fingers to eat.

Preparation instructions

In the saucepan, not covered: Place the frozen soybeans in a pan with boiling water, add some salt and boil for 3-4 minutes, according to taste. Rinse with cold water and drain. Season to taste.

In the frying pan or wok: Fry from frozen (with the pod intact) in a frying pan or wok for some minutes with some vegetable oil. Season with lime and salt.

The pods are not for eating, only the beans inside!

Manufacturing

Coming directly from the field, bio inside products are immediately deep-frozen to preserve all their important vitamins and flavours.

Consumer storage instructions supplement

Store at -18°C. Once defrosted do not refreeze.
